

# Product Safety Recall

## Do you own this product?

### Elstar Ag Boss

250cc General use quad bike, fitted with a 250cc water cooled 4 stroke engine, 4 speed plus reverse gears, front independent suspension, rear differential axles, front and rear brake for off road use only.

Dates sold: 11 October 2021 – 7 December 2022

**Why the product is recalled:** The bike does not meet the [mandatory standard for quad bikes and general use quad bikes](#).

The operator protection device (OPD) may not meet the requirements set out by the standard for rollover protection.

**Hazard:** There is a risk of serious crush injuries or death if the bike tips over.

Consumers should contact Elstar to make arrangements for the ATV Lifeguard to be fitted as soon as possible.

Customers can contact Elstar HQ on 02 9772 1555 or by emailing [sales@elstarbikes.com.au](mailto:sales@elstarbikes.com.au) for assistance in arranging fitment or for more information.

Ask our staff to find out more about the recall.
