**Why the product is recalled:** The product does not comply with the [mandatory standards for products containing button/coin batteries](#).

The button/coin batteries may be accessible by young children and the product does not include the required warning information.

**Hazard:** There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button/coin batteries and swallow or place them inside their body. Consumers may be unaware that the product contains button batteries.

Consumers should immediately place the product out of reach of children.

Consumers should contact the place of purchase for a full refund or contact Autotecnica to arrange the collection of goods.

For more information, consumers can contact Autotecnica on [sales@autotecnica.com.au](mailto:sales@autotecnica.com.au) or calling 03 9464 2200.
