

Product Safety Recall

Do you own this product?

General Motors - Remote control supplied with the electric retractable tonneau cover for Chevrolet Silverado MY2021-2022

Please see list of VINs on the [Product Safety Australia website](#).

Dates sold: 25 July 2022 – 13 July 2023

Why the product is recalled: The remote control does not comply with the [mandatory information standard for products containing button/coin batteries](#). The product was supplied without the required warning information.

Hazard: Risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and swallow or insert them. Consumers may be unaware that the product contains a button battery.

Owners of affected vehicles will be posted a revision to the owner's manual containing the required information and warnings for button batteries and a key tag containing the required information and warnings to attach to the remote control.

Ask our staff to find out more about the recall.
