

Product Safety Recall

Do you own this product?

Magnetic Balls

Dates sold: 10/11/2022 – 25/11/2022

Why the product is recalled: There is a permanent ban on small high-powered magnets.

This product contains small, high-powered magnets that exceed the maximum allowable magnetic flux set by the ban.

Hazard: Risk of serious internal injuries or death if a child swallows more than one small high-powered magnet as they can stick together across the walls of the child's intestine or other digestive tissue.

There is also a risk of young children choking on the magnets.

1. Consumers should immediately stop using the product and keep out of reach from children.
