

Product Safety Recall

Do you own this product?

Honda High Horse Power Four Stroke Petrol V6 Marine Engine

Honda High Horse Power Four Stroke Petrol V6 Marine Engine

Model Types:

- BF175D
- BF200D
- BF225D

Dates sold: 5 March 2021 – 19 March 2021

Why the product is recalled: A mechanical defect in the ACG Belt may result in the belt coming off and becoming entangled in the timing belt assembly causing the engine to suddenly stop.

Hazard: There is a risk of serious injury or death if the outboard engine stops and cannot be restarted.

Consumers should stop using affected engines and contact their nearest Authorised Honda Marine Dealer and arrange for their outboard engine to be inspected and repaired, free of charge.

For more information contact Honda Australia Motorcycles and Power Equipment on customer.relations@honda.com.au or by phone on 1300 559 846

Purchased from: Authorised Honda Marine Dealers
