

Product Safety Recall

**Sage and Clare Bean Bags, Bean Bag Liners,
Aurore Shag Pouffe and Oriele Round Ottoman**

**Sold by Sage and Clare and other homeware boutiques
between 3 August 2015 and 13 June 2021**

Defect The products do not comply with the 'Consumer Goods (Bean Bags) Safety Standard 2014. Consumer Protection Notice No. 4 of 2014 as amended'. The products do not have the correct warning label and were sold with a zipper pull on the bean bag insert to facilitate movement of the child resistant fastener.

Hazard Incorrect labelling on the product may result in the misuse of the product. If children are able to use the child resistant fastener, polystyrene beans may pose a choking or suffocation hazard, particularly to children aged less than three years.

What to do Sage and Clare will contact consumers and provide:

- a copy of the fabric adhesive warning label to be affixed to the product and instructions on how to affix it; and
- instructions on how to remove the pull tag from the zip slider.

If a consumer cannot affix the warning label or remove the pull tag, Sage and Clare will organise for the product to be returned and remedied. Consumers will receive a gift card when they confirm that either the repairs are completed or their product has been disposed of due to its age or wear/tear.

Contact details Consumers can contact Sage and Clare on 1300 590 043 or at beanbags@sageandclare.com
