## Water Filter Monitor Timer for various Water Filter System products

Sold by caravan repairers and manufacturers, plumbing, electrical, kitchen and bathroom and hardware suppliers and online between 22 June 2022 and 30 September 2022

**PRODUCT:** Water filter monitor timer containing one button battery supplied as a promotional item with the following water filter system products: K-T-HIFLOW, K-T-HWHIFLOW, K-T-DUOGN, K-T-DUOSQ, K-T-VANITY, K-C-ECOINLINE, K-C-ECOREG, K-C-ECOREGNOTAP, C-T-HiFLOW, C-T-HWHiFLOW, C-T-HIFLOWTwin, C-T-CLASSIC, C-C-ECOINLINE, C-C-ECOMINI, C-C-ECOMINITwin, C-C-ECOREG, C-C-ECOREGTwin, C-T-AU1000, C-T-HWHiFLOW, and C-T-HWHIFLOWTwin.

**DEFECT:** The timer does not comply with the mandatory safety standard for products containing button batteries.

The battery compartment is not adequately secured and the button battery in the product may be easily accessible and the product has not been tested against the standard.

**HAZARD:** If young children gain access to button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious injury or death. Button batteries also pose a choking hazard to young children.

**WHAT TO DO:** Affected consumers should stop using the Timer immediately and safely dispose of it.

After disposal, consumers should notify Water Filters Australia, so that the safe disposal of the product can be monitored.
