## What are the defects?

The bicycle trailer's hitch mechanisms can crack and break, causing the trailer to detach from the bicycle.

## What are the hazards?

The separation of the trailer from the bicycle poses an injury hazard to children in the bicycle trailer.

## What should consumers do?

Consumers should immediately stop using the recalled bicycle trailers and bicycle trailer conversion kits and contact Morris Stanley Pty Ltd at <a href="mailto:info@morrisstanley.com">info@morrisstanley.com</a> for a free repair kit which the consumer can install.
