Electrical Safety Recall

BBQ Spit Rotisseries — Flaming Coals dual fuel spit rotisserie

Model: SPG1500-MO005

Identification:

A dual fuel (gas and charcoal) spit roaster, 1500mm in length with a 100kg capacity electric (240v) rotisserie motor.

Sold by:
BBQ Spit Rotisseries
Barbecue Bazaar, Cannington WA

Why the product is recalled: The spit's electric drive motor is unearthed due to a wiring issue which can result in the motor and metal rotisserie shaft becoming live with dangerous levels of electricity.

Hazard:

There is a risk of serious injury or death from electric shock if anyone touches parts of the rotisserie that is live with electricity.

Action required:

Consumers should immediately stop using the product and contact BBQ Spit Rotisseries to receive a replacement or repair.

For further information

Consumers can contact BBQ Spit Rotisseries by email at admin@bbqspitrotisseries.com.au with the subject line "Dual Fuel Spit 100kg motor product recall" or call 1300 002 771 (8:30 am – 5:00 pm, Monday to Friday).
