

Product Safety Recall

Do you own this product?

Plastic LED tealight candles

Dates sold: 11/06/2020 – 20/12/2021

Why the product is recalled: The product does not comply with the mandatory standards for products containing button/coin batteries.

The button/coin batteries are not adequately secured and are accessible by young children. The product does not include the required warning information.

Hazard: There is a risk of choking, severe internal burn injuries or death to young children if they gain access to the button batteries and swallow or insert them. Once ingested, severe or fatal injuries can happen in 2 hours or less.

Consumers may be unaware that the product contains button batteries.

1. Consumers should stop using the affected products immediately and place them out of reach of children.
2. Consumers can return the product to their place of purchase for a full refund.

Ask our staff to find out more about the recall.
