

Product Safety Recall

Do you own this product?

Total Tools – Detroit 5 metre 10 Amp heavy duty LED indicator extension lead

5 metre orange and black coloured extension lead. The affected model can be identified by Detroit LA020C marked on the plug and Detroit LA023C marked on the socket.

Dates sold:
1 November 2017 to 28 August 2023

Why the product is recalled:

The product does not comply with the Australian standard AS/NZS 3199:2020 Approval and test specification – Cord extension sets. The connections in the extension lead may come loose resulting in the plug overheating or catching fire.

Hazard:

Risk of electric shock, fire or burns causing serious injury and property damage.

Consumers should immediately stop using the extension lead and return it to their closest Total Tools store for a full refund.

For more information, please contact Total Tools by phone 03 9261 1900 or email Recalls@TotalTools.com.au.

Purchased from: Total Tools stores and Total Tools online store.
