Step	Action
1	If you have the original packaging for the Tow-Pro™ Elite kit (EBRH-ACCV2), the serial number may be found on the outsid, Refer Image 1.
2	To check the serial number on the Tow-Pro™ Elite Main Unit, locate the Main Unit and check the label located on the side, Refer Image 2
3	Write the Serial Number below:

Main Unit Serial Number

							-			

e.g.1 1 8 0 7 0 5 4 9 - 2 9 8

e.g.2 1 8 1 2 0 0 3 4 6 3 0 0 6 9

4	Check this number against the list of affected parts shown in the table above or refer to the REDARC website (www.redarc.com.au/recall-notice) to check your serial number
5	If the serial number matches (is one of those affected) return to your point of purchase to obtain a product repair, or call REDARC Electronics1800 733 272 or 08 8322 4848, 8am – 5:30pm Mon – Fri (ACDST), via email at service@redarc.com.au or visit www.redarc.com.au/recall-notice
